
Subject: Primary Care Physician Authorization

Effective Date: November 18, 2009

Revised from: July 9, 1996

Policy Statement:

It is in the best interest of the child and family to establish a “medical home” to enable the child to receive primary care and care related to the eligible condition under the guidance of the medical specialist as close to home as possible.

Procedures:

Primary Care Physician (PCP) shall be authorized for follow along care related to the condition which makes them eligible and for other services (i.e. lab work) as directed by the medical specialist.
